Sermon Devotional

Series: God Speaks on Manhood and Womanhood

Dr. David H. Rhoades - September 20, 2020

1. Have you noticed an increase in the amount the media or people talk about issues relating to homosexuality?
2. Why do you believe this is happening?

Digging Deeper

3. Access Pastor David's message at broadviewchurch.com/media.
4. Leviticus 18:22 says, "You shall not lie with a male as one lies with a female; it is an abomination." The word "abomination" means something that is loathsome or utterly detestable. How does our society view homosexuality? Is society's view compatible with God's view?
5. Other actions that God considers to be abominations include burning children alive as a sacrifice, practicing magic and divination as an act of communicating with evil spirits, making a sacrifice to God with a wrong attitude, and purposefully cheating your neighbor. Why do you believe these things, as well as homosexual acts, rise to the level of being abominations?
6. Only one relationship can simultaneously express all four kinds of love—the love of friends, sexual love, protective love, and sacrificial love—as God designed. What is that relationship called?
7. Read Genesis 2:18-24. The Bible indicates that God designed marriage to be between one male and one female. Do you agree with this?

Bringing It Home

8. Jesus' sacrifice on the cross paid for the sins of all of us, regardless of the nature of our sins. Thank him that grace is greater than all our sin.
 9. If there is someone you know of who is dealing with sinful behaviors, pray for them.
